	Hassan Section.
(2) 183 C.yds.	.. From Chikmallanahalli to Chickmagalur.
	Tarikere Section.
(3) 100 C. yds.	.. From Chikmagalur–Bhadravathi.

Specification.—It must be free from dust or mud and should be to the size to pass through a mesh of not more than 2″ square.

2. The tenders should be superscribed as "Tenders for the supply of jelly for the Bhadravathi Transmission Lines due at 2 P.M. on Monday the 30th April 1935" and should be accompanied with an earnest money of Rs. 100 for the whole lot or Rs. 50, 25 and 25 for individual items respectively. The earnest money should be sent separately in cash or in currency notes or by means of cheque in favour of the undersigned on the Bank of Mysore, Bangalore or on the Imperial Bank of India, Bangalore.

3. The jelly should be supplied at the places along the route of the Transmission Lines as required by the Assistant Superintendent in charge of the Bhadravathi Transmission Lines Construction. Inordinate delay in supplying the jelly will entail the forfeiture of the contract together with the earnest money and the contract being entrusted to any other person at the risk of the tenderer and the loss entailed in this connection will be recovered from the contractor whose contract is cancelled.

4. The undersigned reserves the right to refuse the highest or any tender without assigning any reasons therefor.

5. Payments will be made on the bills presented in duplicate after the varification and admission of the bill by the Assistant Superintendent in charge of Bhadravathi Transmission Lines for the jelly supplied.

6. The earnest money will be refunded one month after the final claim for the supply of jelly is settled.

7. Arrangements will be made to refund the earnest money of the unsuccessful tenders soon after the tenders are opened and decided upon.

M. HAYATH,
For *Chief Electrical Engineer.*

DEPARTMENT OF AGRICULTURE, MYSORE STATE.

AGRICULTURAL SCHOOL, RAMAKRISHNAPUR, ANEKAL TALUK.

Sealed tenders for the purchase of the undermentioned quantities of jaggory and old Ragi on the Ramakrishna Krishisala, Anekal Taluk, about 18 miles from Bangalore (Anekal Road *via.*, Chandapur) will be received in the Office of the Head Master, Ramakrishna Krishisala upto 12 noon on 24th April 1935 (Wednesday). They will be opened by the undersigned at 2 P.M. on Wednesday the 24th April 1935 in the presence of as many tenderers as may choose to be present at the time and the rates read out to them.

2. The tenders should be superscribed "Tender for the purchase of Jaggory and old Ragi separately at Ramakrishna Krishisala" and should be accompanied by an earnest money deposit of Rs. 75 in currency in each case, in default of which the tenders will be rejected.

3. The rates offered should be per cart load of 640 seers of ragi (Standard Government measuring seers) and 28 lbs. per maund of jaggory and should be quoted both in words and figures.

4. The final acceptance of the tenders will rest with the Director of Agriculture in Mysore, Bangalore, who does not bind himself to accept the highest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within 8 days of the acceptance of the tenders, which will be duly intimated to him, the successful competitors will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

6. The deposits of rejected tenders will be returned to them at their cost by money order or otherwise. No enquiry *re* the acceptance or rejection of a tender will receive any reply.

7. Jaggory should be taken delivery off on the school premises once a week as manufactured on indents and the ragi should be cleared within 3 days. Payment should be made in cash before removal of the quantities.

8. The deposit of the successful tenderer will be retained and adjusted in the end towards the value of produce purchased by him.

9. The produce will be measured or weighed and delivered by the school staff with the standard measures and weights used on the school.

10. The quantities noted below are more or less approximate and cannot be guaranteed.

Old ragi from pits	4,000 seers or 40 pallas.
Jaggory	300 Maunds.

11. Failure to comply with the above conditions will entail forfeiture of the deposit amount and the produce will be resold at the risk and expense of the successful tenderer who will have to make good any loss that may be caused by the sale but shall by no means participate in any profit that may accrue thereby.

H. SHANKARANARAYANA,
Head Master.

OFFICE OF THE SUPERINTENDENT, GOVERNMENT SILK WEAVING FACTORY AND FILATURE, MYSORE.

Notification dated 5th April 1935.

Tenders for the supply of good quality Mysore and Cross-breed cocoons to the Government Silk Filature, Mysore, during the months of May, June and July 1935.

1. Sealed tenders for the supply of good quality Cross-breed and Mysore cocoons to the Government Silk Filature during the months of May, June and July 1935, will be received by the Superintendent of Sericulture in Mysore, Mysore, up to 3 P.M. on 25th April 1935.

2. Tenders for the supply of Cross-breed cocoons and Mysore cocoons should be submitted separately superscribed "Tenders for the supply of good quality Cross-breed cocoons and Mysore cocoons to the Government Silk Filature, Mysore, during the months of May, June and July 1935 and should be accompanied by a deposit of Rs. 100 in currency notes which will be returned after the disposal of tenders to all unsuccessful tenderers. Should the successful tenderer or tenderers fail to fulfil the conditions of his or their contract, the deposit shall be liable to be forfeited.

3. The successful tenderer for Hybrid cocoons should agree to supply only good quality Hybrid cocoons; and similarly the successful tenderer for Mysore cocoons should agree to supply good quality Mysore cocoons.

4. The supplies should be entirely free from double, inferior and defective cocoons.

5. Hybrid cocoons and Mysore cocoons should be delivered at the Factory on the 4th or 5th day after mounting.

6. The rates quoted must include all charges upto delivery at the Factory.

7. The quantity of Hybrid and Mysore cocoons required to be supplied is as follows :—

	Hybrid cocoons.	*Mysore cocoons.*
May 1935	10,000 lbs.	1,000 lbs.
June ,,	10,000 ,,	1,000 ,,
July ,,	10,000 ,,	1,000 ,,

8. The rates will be valid only if the rendita of cocoons supplied is not more than 15 to 1 in the case of Hybrid cocoons and 18 to 1 in the case of Mysore cocoons.

9. Only raw cocoons will be accepted. Consignments should be in lots of not less than 400 lbs.

10. The successful tenderer or tenderers should execute an Agreement on ten annas Mysore Government Stamp Paper with a security deposit of Rs. 200, binding himself or themselves to the above conditions and stipulations.

11. Tenders will be opened by the Superintendent at 3 P.M., on 26th April 1935, in the presence of such tenderers as may choose to attend.

12. The Superintendent reserves to himself the right of rejecting any tender without assigning any reason therefor.

13. The Superintendent reserves the right to call for fresh tenders for future supplies or to continue the successful tenderers for a further term after reduction of rates in accordance with fluctuation in the Cocoon market by mutual consultation.

H. S. GOVINDA RAO,
Superintendent of Sericulture.
